

IDFA National One Day Conference

15th November 2008

Don't forget to mark your diaries for the upcoming IDFA National One Day Conference to be held at the State Library of Victoria Conference Centre - Entry 3, La Trobe Street, Melbourne CBD.

The program will consist of a mixture of expert medical and member presentations. The cost is free so mark the date and come and hear the latest information. Take the opportunity to meet other members and health professionals.

IDFA has arranged for supervision of children at the venue. The venue is situated right on public transport.

Registrations are essential for entry on the day- register at events@idfaustralia.org or call 1800 465 849

You can get conference updates by sending an email to events@idfaustralia.org or check the website regularly at www.idfaustralia.org
