Announcement: PID Patient Meeting

Details

The Immune Deficiency Foundation of Australia will be holding a patient meeting in Sydney. This meeting is open to all people with PID, their families, supporters and healthcare teams. Membership of IDFA is not a requirement for attendance.

The meeting will provide people with PID the opportunity to:

- Meet the new IDFA General Manager, Cathryn Baker
- Hear about plans for the future development of IDFA
- Meet other people with PID and their families
- Hear about changes to IVIg policy
- Hear about exciting new research into the genetics of PID
- Ask questions of Immunologists who specialise in PID
- Share stories

An invitation to participate in important research

At this meeting people with PID will also be given the opportunity to participate in a new Australian collaborative research project investigating the genetics of primary immune deficiency disorders. There will be no pressure to participate in the project if you attend this meeting. If you are unable to attend this meeting but are still interested in hearing more about this exciting project, please contact the project coordinator, Philippa Kirkpatrick on 02 9767 5620, coordinator@anzada.org. Further details can also be found at www.anzada.org.

RSVP

This meeting is free to all attendees. Morning tea will be provided. Therefore it would help us with planning if you could RSVP. Please RSVP by 30th April, 2008 (or as soon as possible) to Cathryn Baker, IDFA General Manager, gm@idfaustralia.org or Freecall: 1800 465 849. (Note: it is never too late to RSVP if you have only just heard about this meeting).

Children are welcome at this patient meeting. Please let Cathryn Baker know if you are planning on bringing your children and their ages so that we can try to cater for them.

**WE NEED YOUR HELP TO MAKE THIS MEETING A SUCCESS. PLEASE
PASS ON DETAILS ABOUT THIS PATIENT MEETING TO ANYONE ELSE
YOU THINK MAY BE INTERESTED IN ATTENDING.**

WE LOOK FORWARD TO SEEING YOU ON SUNDAY 4TH MAY, 2008
