

You are Invited to a Meeting for Queensland Members of the Immune Deficiencies Foundation of Australia

When:
2pm-4pm,
Saturday 17th April 2010

Where:
Wesley Research Institute,
Level 8, East Wing,
Wesley Hospital,
Auchenflower, QLD

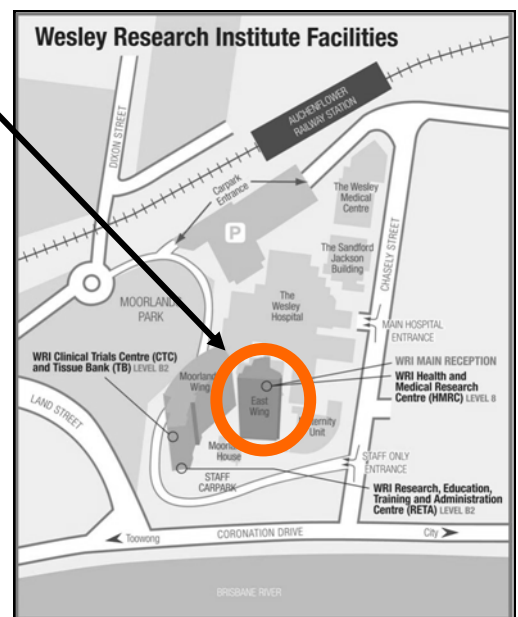

What: Dr Daman Langguth, Immunologist, will speak on post-IVIg reactions, the use of subcutaneous IVIg in Australia, immunisation and genetics in PID.

This meeting is free and open to all people with PID, their families, supporters and healthcare teams. Membership of IDFA is not a requirement for attendance. Afternoon tea will be provided. Therefore it would help us with planning if you could RSVP. Children are welcome at this patient meeting. Please advise Joy if you are planning on bringing your children and their ages so that we can try to cater for them.

**Please RSVP no later than
Friday the 9th of April.**

To RSVP or for more information please contact:
Joy Williams, Support Services Officer-
Email: support@idfaustralia.org or
Freephone: 1800 100 198
